Subject :-

Petition from Nawab Piza Bibima sahib of Honnali for suitable lands in exchange for lands of her father which were utilized for the construction of a dispensary at Honnali and for the extension of the town.

An extent of land measuring 20,230 square yards which was said to belong to the late Nawab of Honnali was utilized for the construction of a dispensary at Honnali and the Government were pleased to order, on consideration of the petition of Shahajad Bibi, wife of the nawab, that " if petitioner is desirous of building a house, some other land may be granted to her, free of charge, provided she consents to build a house within a reasonable time, say one year." Vide Government order No. 9248/Pet.761 dated 15th December 1892) In their order No. 2871-Pt.24-94 dated 11th/22nd August 1894, they extended the period fixed to build upon the site to be granted to two years. Copies of both these Government orders were sent to the late Shahajad Bibi in August 1894.

Shahajad Bibi is said to have died in 1895. No claim seems to have been made by her heirs for a suitable land in exchange as laid down in the Government order of December 1892 till August 1906, when her daughter the present petitioner Nawab Piza Bibima Sahib put in a petition to the Deputy Commissioner. After some correspondence the Amildar of the Honnali taluk was asked to submit a sketch of the land selected by her and a mutchalika as per Government order The petitioner appears to have then been called upon, through the Bangalore Taluk Office, by the Honnali Amildar in his yadi No. 244 dated 22nd September 1908, to select the site she would have in exchnage, and she, in her petition sent to the Amildar of Honnali on 26th March 1909, prayed that the lands comprising Survey Numbers 55,59, 822,825 of the Honnali Town might be granted to her. Another

(21

petition was also sent to the Amildar in December 1911.

Upon this the then Amildar Mr.Kesvachar inspected the lands on 12th November 1912 and has left the following remarks in the record.

" Inspected both the numbers. Nawab Hassain Alli Khan, brother of the petitioner wants the site by the side of dead house as far as the high road. This is an objectionable site being close to the public buildings and the high road. This should be reserved as public grounds. As there are no vacant sites in the town available to applicants and a portion of Survey Number 38 has been already built upon and this is an assessed land and No. 36 is reserved for public purposes and is a Government land, Survey Numbers 35,36,37 and 38 should be acquired for the extension of the town. The matter should be brought before the Board."

In consultation with the District Health Officer, Survey numbers. 21 and 22 of the Honnali town have been finally selected to be acquired for the extension of the town and the records connected with the acquisition thereof are still pending disposal.

Since it is reported that there are no suitable sites to be given to the petitioner in exchange, the matter has to lie over, till the aforesaid survey numbers are acquired and then the petitioner will be given a choice to select a portion out of these survey numbers equal in extent to the portion acquired for the dispensary etc.

Sir,

With reference to your letter No 2704 Ml. 42-15-13 dated 1st November 1916, requesting to be furnished with information fixing the market value of the land of Nawab Piza Bibima Sahib of Honnali ~~xxxx~~ taken away in 1892, as it stood in that year etc, I have the honor to state that the Amildar reports that the Panchayetdars, who were present on the spot when the mahazar was drawn up by the Assistant Sanitary Inspector, have estimated the market value of the site acquired to be six pies per squard yard which amounts to Rs 632-3-0 for 20230 square yards.

2. But the Municipal Board of Honnali, taking the mahazar as well as the local circumstances into consideration, have fixed the value to be Rs 100/- per acre, in the year 1892, which works up to Rs 418/- which sum, I think, is a fair value. They also recommend the payment of interest at 6% per annum
